

MOBILE HYDROCOLLATORS

These durable stainless steel water tanks house the Hydrocollator Moist Heat HotPacs. The units are thermostatically controlled to ensure the ideal therapeutic temperature for HotPacs. Hydrocollator remains the benchmark heating unit against which all other units are judged.

MOIST HOT PACK

The Original Hydrocollator HotPac

Hydrocollator Moist Heat HotPacs are the first choice for physiotherapists, physicians, chiropractors, athletic trainers and kinesiologists for over 60 years.

The benefits of moist heat therapy over dry heat are well established for pain relief due to arthritis, myofibrosis, back pain, muscle strains and spasms.

Hydrocollator HotPacs

- Seven HotPac sizes designed to fit every body contour
- Provides up to 30 minutes of deep, soothing, moist heat
- Tabs on most HotPacs for easy rotation in busy clinics
- Cost effective, provides hundreds of treatments from one HotPac
- All natural pack containing bentonite, a natural hydrocolloid filling, wrapped in a woven cotton blend
