# Suresweep STR1000

190465 - Battery operated ride on

- Tandem Roller System (TRS) ensuring highly efficient collection of rubbish.
- Polypropylene double row main brooms are standard to assist with the sweep action meaning a one pass sweep in heavy conditions.
- Convenient for both outdoor and indoor use.
- Smooth running and quiet, making it great for use indoors and on carpets.
- High performance suction system for reduced dust discharge into your working environment.
- The powerful dust suction ability yields a volume of more than 600 square metres of air per hour through a dust filter of 3 square metres.
- Excellent ramp climbing ability ensures easy transport.
- Covers made of polyethylene specifically designed to reduce the impacts of harsh weather, wear and tear.

- Chain driven, ensuring no belt slippage, with minimal maintenance required.
- Central seat position for better visibility when cleaning beside edges.
- Engineered and manufactured in Germany.
